Some of the students are playing handball on courts with no lines. How soon are we able to fix this?

### **Timber!!**

The tree is being cut down on Saturday and the lawns are going to be mowed as well. The school will look a lot flatter on Monday.

### **You Can Do It – Organised**

‘We Strive to Progress’. What does that mean? How do we have to be organised to progress forward and what are we striving for. We cannot move forward without being organised. Consider the harder I practise, the luckier I get!
