Parent or Guardian Agreement

I, _____ (Parent or Guardian's name), understand that the Internet can provide students with valuable learning experiences.

I also understand:

- That it gives access to information on computers around the world, and that the school cannot control what is on those computers and that a part of that information may be illegal, dangerous or offensive.

I accept that while teachers will always exercise their duty of care, protection against exposure to potentially harmful information must depend finally upon responsible use by students.

I also understand that students will be taught how to use the Internet in a responsible way as part of their computer skills.

I believe, _____ (Child's name) understands this responsibility and I hereby give permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

- I would like my child to have access to an Education Queensland email account.
